ARTIST RESIDENCY PROPOSAL GUIDELINES & SUBMISSION FORM

The Scandinavian Cultural Center is a destination and resource for the exploration of traditional and contemporary Nordic culture and complementary cultural experiences.

Preference will be given to proposals by artists of Nordic affiliation, either by ancestry or affinity, reflecting knowledge of and a focused interest in sharing Nordic culture with others. "Nordic" is defined by the Scandinavian Cultural Center's mission and programming as pertaining to the cultures of Norway, Sweden, Denmark, Finland and Iceland. Consideration will also be given to cultures of neighboring countries such as Estonia, Latvia and Lithuania. Residencies are encouraged in a variety of genres, including but not limited to visual art, music and the performing arts. Residency proposals must include three components: activities geared for the residents of the Scandinavian Living Center, for the youth of the surrounding community and a culminating performance, screening or exhibition geared for the general public.

Application Deadline: Monday, March 31st (applications must be received by midnight on this day)
